

YMCA Adventure Guides

For over 50 years, we have been Northeast Ohio's premier father/son program. Serving over 300 families from Parma, Parma Heights, North Royalton, Strongsville, Seven Hills and surrounding communities, the Adventure Guides provide opportunities to build lifelong friendships between father and son through innovative programs, activities and events.

Adventure Guides is for children between 1st and 5th grades. Each year, our incoming members are organized into Teams. These Teams are made up of children and fathers from the same school class or organizational affiliations such as church groups.

Our programs include camping, sporting events, model boat and car racing, fishing, canoe trips and much, much more. Several events are open to the whole family. Throughout this four year program you will have the chance to build memories and strengthen your relationships with your son for a lifetime.

The YMCA Adventure Guides cordially invites you to learn more about our program. If you would like to receive information on the program please call the Ridgewood Family YMCA or mail this form to:
